

STANDARD FORM NO. 64

**SECRET***Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 20 June 1956

FROM : Chief, Orientation &amp; Briefing/IS/TR

SUBJECT: Items of Interest for the Period  
12 June 1956 to 19 June 1956

1. Chief/OB/IS conducted the 16th Dependents' Briefing on June 11 and 12, 1956. Twenty attended including the wives of the DCI and the DDCI. Since Mrs. Cabell could attend only part of the program she asked to be reminded about the future schedule so that she might attend the next program in full.

Mrs. Dulles participated quite actively throughout the two days making observations and asking questions. The day after the program finished, the DCI reported that Mrs. Dulles was very pleased with the Dependents' Briefing; she endorsed all its content and format and was appreciative that she found out about such a program being in existence.

2. At this 16th Dependents' Briefing, Mrs. [ ] made a splendid presentation on the subject "Life Overseas." (Incidentally, Chief/OB/IS is still making efforts to have the contract arrangements completed so that Mrs. [ ] and others like her will be compensated for their services.)

3. A few weeks ago we reported about a request from the National Security Agency for one, single, large briefing to be done on their premises and at that time made the observation that such a plan would have a tendency to keep NSA people separate from the Intelligence Community. At that time we made the observation that the "team" concept is better served by their participation in the monthly Departmental Briefings. Through our Agency liaison, Mr. [ ], who agreed with our observation, we have learned that as of the present time, NSA has not pressed again on their request for a separate program.
4. Chief/OB/IS conducted a special briefing for the Junior Foreign Service Officers of the Department of State on Friday, June 15th. Fifteen attended. This was one of the most lively of many alert Junior FSO audiences that we have seen in recent months.
5. On Monday and Tuesday, June 18 and 19, Chief/OB/IS attended and participated in a special Presidential Conference on Fitness of American Youth which was conducted at the U.S. Naval Academy in Annapolis, Maryland.
